c/o Court Moor School
Spring Woods
Fleet
Hampshire
GU52 7RY

Or complete the attached form and pass to a member of staff at your child's school.

Fleet Area Parent Support Advisor

'working with parents to ensure the best possible outcomes for children'

Parent Support Advisor

Fleet Area

What is a Parent Support Advisor (PSA)?

Parent Support Advisors (PSAs) are school based, and work directly with parents to ensure the best possible outcomes for children.

The PSA will help you with any worries you may have about your child's behaviour or attendance and provide you with support on how best to deal with them. The PSA supports families in a non-judgmental, friendly way.

Your PSA can support you to make improvements in:

- behaviour
- school attendance
- school exclusions
- violence in the home
- bedtime routines
- wetting
- health
- eating habits
- anger
- homework and any other support required

How can I work with the PSA in our area?

Depending on the situation, the school your child attends may contact you to see if you would like support from the PSA. Alternatively you may wish to contact the PSA directly to ask questions or ask for support.

Either way I will contact you to arrange a suitable time/day to visit you at your home or to meet somewhere else. When we meet, I will explain my role and spend some time finding out about the support or guidance that you might benefit from.

We will agree a plan of action. The support offered could be over a six week period or less, depending on what is needed.

The plan of action may involve work in the following ways:

- one to one support
- parenting courses
- signposting to other services in the area
