

EHPS WEEKLY BULLETIN

ISSUE No: 05 FRIDAY 06 OCTOBER 2017

Dear Parents,

What a wonderful job the staff and children in Year 5 did with organising and running the annual Macmillan coffee morning in school - raising just over £800 for such a worthy charity was a brilliant result. I was so proud of the children and the way they conducted themselves throughout the morning - they loved the experience of serving the food and welcoming visitors to the morning tea and cake!

It has come to my attention that some of the children have been wearing glasses that are not prescription - in other words wearing them as a fashion item! Please do not allow your child to bring these sorts of glasses into school.

We are looking forward to seeing parents at work viewings and parent teacher consultations over the next couple of weeks. If you come to parent viewing you obviously don't need to look at your child's books again at parents' evening! The advantage of work viewing is being able to talk to your child about their work, so if you can make it to one of those sessions that's great, but if not then you'll be able to see the books before your appointment with the class teacher.

Best wishes

Mrs Megan Robinson
Headteacher
