

EHPS WEEKLY BULLETIN

ISSUE No: 06 FRIDAY 13 OCTOBER 2017

Dear Parents,

With only one week to go before the end of the first half term I am delighted with the hard work the children have put into their learning so far this year. I'm sure those parents who have attended work viewing sessions will agree that many of the children have applied themselves well to their learning. The teachers have all worked hard to plan exciting and engaging lessons to hook the children in and to make learning as positive as possible. We continue to use the 'growth mindset' approach—and we hope you do so at home, reminding children they can't do some things ... "yet".

We look forward to welcoming you all to parent teacher consultations next week—should you need more than the allocated ten minutes please liaise with your child's teacher to arrange a mutually suitable time. Please note that all parents come through the main door—Year R meetings are in the Music room, Year 1 and 2 in the small hall and Years 3-6 in the main hall. (Mrs Rapley is in the Tutorial Room near the library).

Best wishes

Mrs Megan Robinson
Headteacher

P.E. GUIDANCE

Please note that for P.E. all jewellery (except stud earrings) must be removed. Teachers will not take responsibility for looking after jewellery.

Stud earrings must be covered with tape (so please ensure you provide this for your child). They must be able to cover the front and the back spike with the tape.

If for cultural practice a child wears a bracelet this should be covered with a wrist sweatband .

This is in line with Hampshire guidance.

SPORTS' NEWS from Mr Mannion

Well done to both our rugby teams on a very successful start to the season. Between them they won seven out of their eight matches and played some scintillating rugby along the way.

Our handball players also had great fun at their developmental festival. We had a mixed year 5/6 team who displayed great talent in what is to us, a relatively new sport.

Finally congratulations to all our fourteen children who took part in the recent 'Fun Run' held at Samuel Cody School. For many of the children it was their first opportunity to represent the school and I was very proud of every one of them. There were some great performances, with the star of the show being Aaron B who finished second in the boys' race.
