

SPORTS FUNDING 2016/17

Our lead practitioner is a role model who encourages children to participate in regular sports activities and competitions, extends the provision on offer and works closely with local schools to support better collaboration

Increase participation of children in intra and interschool tournaments and competitions for KS1 and KS2

Provide sports training for staff

Extend support from specialist coaches across the school(hockey, cricket, football)

Create opportunities for gifted and talented children in sports to extend their skills at a higher level

Train children as sports leader in the school to act as role models and support the development of skills in other children

Extend sports resources available

Through the vehicle of sport, provide a greater range of sporting input for children who may otherwise not be able to/want to access sport.

Develop a broader, more competitive sports day.

Item/Project	Cost	Objectives	Impact
Lead practitioner including coaching staff	£13, 417	Increase participation in sports activities and competitions. To ensure high quality provision is established and maintained by non PE Specialist staff	Build children's confidence and self-belief. 103 children in KS2 and 28 in KS1 represented the school at a competitive level. Improved teacher confidence
Extend specialist sports coaches to provide support in Y2 to 6	Free to school	To encourage <i>all</i> to take an interest in sports.	Greater participation outside of school (Children have joined clubs, e.g. Girls Cricket)
Lunchtime boys football Y5/6	£760	To improve the quality and skills of the team for inter-school competition	League and cup success (See above)
Lunchtime boys football Y2/3/4	£760	To encourage long term development and commitment to sport/team To develop Y6 as coaches	Increase technical ability Greater maturity in Y6 due to level of responsibility
'Match specific' Thursday Club	£760	To prepare teams for inter-school competitions	(See honours list below)
2 x less able Breakfast Club targeting reluctant sporting girls (8 weeks per group)	£1,520	To improve confidence, self-esteem and sporting ability	Better relationships with adults (teacher feedback)
Elite sports people Breakfast Club	£760	To further improve technical abilities and encourage a winning mentality	(See honours list)
Intra-school competitions	£2,280	To provide competitive 'real' opportunities for children across the school. Every child in KS2 participated in at least one intra sports event.	Children are more enthusiastic about PE lessons
Yr 2 targeted group for children with physical, social, emotional issues	£1,140	To improve confidence, self-esteem and sporting ability.	Improved self-worth and physical ability

MC under 9 girl winner

MC under 11 girl winner

MC under 11 boy winner

Yr 3/4 tennis champions (qualified for Hampshire Games)

Football league plate

County Hockey Champions – In total 27 competition wins this year, (30 including our individual cross country winners) This level of success is unprecedented and is a direct result of how we choose to spend our sports funding though this is just one of several areas we choose to develop.

We intend to continue the above projects as long as funding allows. The priorities for 2017/18 include:

- Still more intra-school competitions across all year groups.
- Increase competitive opportunities for a range of children to compete against other local schools.
- Develop more autonomy amongst Y6 pupils to develop their own clubs which support skills acquisitions and promote sport.
- Continue professional development of staff in PE with a particular focus on NQTs and new staff joining the school.
- Provide lunchtime clubs targeting reluctant sport participants (to be run by Sports Captains).
- Increase girls' desire and motivation to participate in sporting activities.
- Provide opportunities for KS1 children to compete against other schools in a non-threatening environment.
- Provide more competitive elements to the school Sports Day.
