

# EHPS WEEKLY BULLETIN

ISSUE No: 07 FRIDAY 08 JUNE 2018

Dear Parents

What a fantastic day Sports Day was this year - the weather could not have been better! The children all looked fabulous in their colourful house shirts marching down the field in their house teams.

There were so many of our virtues used - determination, perseverance, co-operation, fairness, tolerance and kindness to name a few. There were even a couple of children who briefly stopped running their lap race to help another child who had stumbled and fallen over - it was heart-warming to witness.

Events like Sports Day enable children who may not necessarily have strengths in English or Maths, but they love sport! It's all about taking part, having fun and doing their best -even for those who don't excel in it!

The Year 6 children showed a lot of responsibility by ensuring everything ran smoothly, and the teachers and support staff all worked hard to ensure their children were in the right place at the right time! Thanks to Mr Mannion and Miss Ayre for their hard work too. It was a real team effort!

Once again, The Friends worked incredibly hard before and during the day to provide refreshments all day—thanks so much to Annabel and her team.

**Nesbit class assembly - please note  
change of date NOW Thursday 28 June**

Did your child forget to bring something in to school this week? These were handed in by parents yesterday morning after school had started!

Yes, it was sports day on Wednesday, and what a lovely day it was, but children need to bring EVERYTHING that they need WITH THEM when they arrive at school.

## Parents in Year R - Year 4

The Southern Health NHS Foundation Trust School Nursing Service recently visited our school to deliver part of the Childhood Immunisation Programme.

They are always looking to improve their service and value feedback from parents, therefore they would be grateful if you would kindly complete their parent survey if your child has recently received a vaccination from them. The link is below:

Well done to Alesha P, Nesbit class, who took part in her first National gymnastics competition with the top 50 gymnasts in her age group. First up was her nemesis; beam, a fall and a missed connection cost her placing overall. However, she managed to go on to come 5th in GB on Vault and 8th in GB on Floor. This was a great experience for Alesha, and she hopes to go on improving on these scores next year.

We have been asked to circulate a new school survey to parents in Years 2, 3 & 4 from the local MP. Please complete and return directly to the address on the flyer.

Congratulations to Tabitha W who won the Rotary Young Photographer award for the Fleet area and also for the district. The theme was A Different Perspective and she submitted a range of photographs looking at the world in a different way. Her photos have now progressed to the National Final and we are excitedly awaiting the results.

There was also a creative writing award, where the children had to write a piece inspired by the Different Perspectives theme. Some also wrote poems dedicated to Harry and Meghan's wedding.

Here are the winners: Tabitha W, Maia S, Sam Y & Madison S, collecting their prizes at our Friday celebration assembly.
