

EHPS WEEKLY BULLETIN

ISSUE NO: 10 FRIDAY 29 JUNE 2018

Dear Parents

This week the Year 6 staff and children have been working hard to get their performance ready for parents to watch next week. The Year R, 1 and 2 children enjoyed watching it this morning and the Year 3,4 and 5 children will be watching it on Monday morning. I'm looking forward to seeing it next week too!

We only have one more Make and Bake this year, which is Year 3 next week. Thank you to everyone for supporting these events - both providing goods and buying them. We appreciate your support.

Thank you for providing your child with a hat and water bottle - we are also having to deal with less equipment being left for Miss Ludlam to send to classes after the start of the school day, which we appreciate. There is no expectation that children have to wear a jumper or cardigan to school this half term - in fact we are encouraging children NOT to wear them!

Have a lovely weekend and enjoy the weather while it lasts!

SPORTS NEWS FROM MR MANNION & MISS AYRE

Congratulations to all our talented children who took part in the Hampshire Games last week. We had teams in the athletics, basketball, hockey and girls' football with the standard of performance being incredibly high. Both the hockey and football teams were narrowly defeated in their respective semi finals, the Athletics team finished in a highly credible fourth place whilst the basketball team just missed out on a quarter final place.

The day was a culmination of all the hard work, commitment and dedication the children have shown this year and all involved should feel very proud of their achievements.

Our cricket team were also involved in action last week and had a nail-biting three run victory over St Joseph's in the Hampshire Cup. Expertly led by our captain Madeleine M, there were so many fantastic performances, none more so than from our Year 4 players, George D and Charlie M. Well done also to Rohan, Joseph BB, Shay, George R and George D.

On Tuesday afternoon EHPS held its first girls' football festival of skills for Key Stage 1. The afternoon was full of fun football drills and skills prepared and managed by our wonderful girls' football team followed by some mini matches. St Nicks and Tavistock came along for the afternoon and all the girls had a great time! It was a gentle introduction to the sport for the girls. I'd like to say a HUGE thank you to Rebecca, Iyna, Gemma, Hannah, Lauren, Holly, Mia and Madeleine for being brilliant with the younger girls all afternoon and inspiring them to take up football! Well done to all girls involved!

From the Friends Disco fever!

It's a perfect night for a cheeky one in the pub garden while the kids are having fun at the disco.

WORLD CUP MUFTI - Friday 13th July

World Cup fever is well underway!

We are having a Mufti day to celebrate the World Cup.

Children can wear a football kit of their choice or come dressed in the colours of the Country that they are supporting (ie: Red and White for England / Blue and Yellow for Sweden). The £1 donations will be going towards the Hall AV system.

Throughout the day the children will be joining in with football related activities alongside their usual learning.

MEET THE GOVERNORS.....Mrs Karen Niblett

How long have you been a governor and what type of governor are you?

I have been a co-opted governor since November 2015.

Why did you decide to be a governor?

For the first time in my working career, I have some spare time, so wanted to do some voluntary work, and education and schools really interest me.

What do you like most about being a governor?

The children, trying to make a small difference and learning about schools and the whole education system.

What do you find most frustrating or difficult about your role?

Lack of funding, for example we are in an IT age, and we do not have the resources for all children to have their own PC, also more teachers would allow for smaller groups for more specialised learning.

What type of work do you do in addition to being a governor?

Stay at home mum currently, with a little voluntary work, also allows me to travel. I had worked as an Accountant for 20+ years previously.

If you had the power to change anything in education right now what would you change?

Money has got to be the answer, to have better facilities and opportunities for all children.

What do you like to do in your spare time?

Love watching football and tennis, travelling especially now my eldest is in the US for University, also visiting family and friends.

What has been your favourite place to visit on holiday?

My parents worked for BA, so I travelled extensively in my childhood, also having family all over the world. One of my favourite places would be Lake Tahoe in California, where we have spent the last two summers and Australia, where we have had two long family holidays.

What is your favourite food?

I love Thai!

Have you read any good books lately?

I read loads, I love action, thrillers and espionage, actually anything that is easy reading and a good story.
