

EHPS WEEKLY BULLETIN

ISSUE No: 03 FRIDAY 21 SEPTEMBER 2018

Dear Parents,

We are pleased to announce this year's Year 6 responsibilities, *please see the chart at the end of this bulletin*. As part of our Character Education approach every child is given a responsibility, so I'm sure you can appreciate that with 90 children it takes a bit of time for the staff to finalise these roles.

You may have noticed that Morrisons have started their building work which means there are less parking spaces available. We urge those families who can walk to do so in order to reduce the congestion at the start and end of the day.

I have noticed how smart the children all look in their school uniforms - thank you for your support with equipping your children in the correct uniform and getting them to school on time. Please remember the registers are a legal document and must be taken at 8:50am. Any children arriving late must be signed in by their parents at the office reception area.

Headteacher

UNIFORM

Please do check our uniform section on our website if you need clarification on what your child can wear to school:

Earrings - only small silver studs are allowed and tape must be provided to cover during p.e. lessons.

Backpacks are designed for junior children and the smaller book bags for infant children.

All jumpers & cardigans should have the school logo. Look out for our Friends regular second hand sales.

Hair accessories should only be subtle - green and/or white bobbles or Alice bands. *Please could we kindly request that your child does not wear any green accessories for the upcoming school photos - 2nd & 3rd October.*

Please ensure all school uniform is named!

Mr Mannion and the children are very proud to have won our first silverware of the season!

Congratulations to our boys' footballers who won the Salesian five a side Cup, in a strong field of fifteen other teams. We had to do it the hard way as we were drawn against some tough teams along the way (quarter final beating South Farnham 2-1, semi final beating St Joseph's 1-0 and final beating Ravenscourt 4-0).

Player of the tournament was Ryan B who was outstanding and special mention to Alex E for a fantastic debut performance. Well done also to Edward S, Hayden S, George R and Alex F.

In the same tournament there were some fine performances from the B team who were unfortunate to lose in the quarter finals. Star player for them was Zack A who was ably supported by Lewis B, Jack S, Chi Chi, Freddie FW and Alex H.

Well done to both teams who were immaculately behaved on and off the pitch.

STOP PRESS . . .Following on from their amazing triumph at Salesian, the boys' football team have now qualified for the Hampshire 7's County Finals by beating ten other schools to earn the right to represent NE Hampshire Schools in the finals that take place down at Southampton in early October.

It was comfortable in the group stages and having defeated South Farnborough in the semis, we then triumphed over an exceptionally strong St Joseph's, finally nicking it in extra time courtesy of an outstanding solo goal from Ryan B.

Huge congratulations to Edward S, Hayden S, Zack A, George R, Alex F, Ryan B, Chi Chi, Jack S and Lewis B.

Many parents will notice that Miss Ludlam, our receptionist will be taking a little break from the desk! She and her partner are expecting their baby to arrive in November.

To cover her maternity leave we have Mrs Jess Lewis joining us to cover her afternoon hours in the office and Mrs Sara Collyer joining us to cover her morning reception role.

You may see them working in the office over the next few weeks as they are preparing to step in after half-term.

YEAR 6

We have been sent information from local secondary schools to send out to Year 6 parents which will be sent out today.

We are pleased to advise that our website contact pages are now working - for absences:

or for general enquiries:

You can also use our message service to report a pupil absence 01252 622205 press 1 leaving your child's name, class and reason for absence.

Pabulum school dinners

Please find attached a special menu for our annual count day on **Thursday 4 October**. In Year R - Y2 we would appreciate it if all children would take up the FREE school dinner option on that day. This affects our funding for the year, so your help is greatly appreciated.

Of course children in Y3 - Y6 who don't usually have a school dinner may also like to try a Pabulum meal and this is a great opportunity to do so.

The menu changes every year after the October half term break. We will be attaching the new menu in the next few weeks and our website will be updated with the new menu -

www.ehps.hants.sch.uk/school-community/pabulum-school-meals

Year 3 parents - now that your children are in Year 3 they are no longer entitled to Universal Meals, however the cost of a nutritious school meal is just **£2.20**. Please would you use Tucasi to pay for meals in advance.
